Program Strategy: Juvenile Prevention and Intervention Services

## Program Summary:

The Neighborhood Accountability Board (NAB) serves as a dedicated diversionary program designed to provide consequences and services for youth, ages 10-17, issued a juvenile civil citation in some of Duval County's highest crime zip codes. The NAB represents a community based decision making process aimed at repairing harm brought on by crime. This process incorporates Restorative Justice principles. Upon completion of all assigned tasks, the Youth receives a Certificate of Completion from the NAB and no charges are filed and no delinquency record is ever created, thus not hindering the Youth from opportunities related to college admissions, military recruitment and employment in the future. The goals of the NAB are: to provide the victim and community the opportunity to converse with an offender in a safe and productive manner, to provide an opportunity for an offender to take responsibility and make amends, to provide community/citizen ownership of the justice system, to provide a timely, community response to repair harm and MOST IMPORTANTLY, to give youth the opportunity to avoid criminal prosecution for a first time misdemeanor offense.

## Successes:

1. A new location was located for the Arlington NAB. The Unitarian Universalist Church is now hosting this Board. They have been very welcoming to our program.
2. This writer conducted the first of three civil citation presentations at the JSO Sargent Retreats.
3. Our Beaches NAB had it's first youth from the Sandalwood zip code enter the program. We are expanding!
4. Empowerment Resources started a new curriculum with our participant's parents, called Nurturing Parenting.
5. Staff attended a Lunch and Learn with Drug Free Duval and will be integrating the "Know the Law" program into our sanctioning.

## Challenges:

1. The new assessment coordinator worked only for one week and then resigned due to personal issues. The program is now in search of another great candidate.
