	Experience and	Customer Com	mitment (15%	Weighted Val	ue)			
Experience and Cuttomer Commitment (15K Weighted Value)	A summary of experience managing related or similar operations of comparable size and scope to JEA is required. The Respondent must provide information regarding it experience, knowledge, skills, and abilities for owning, operating, and managing electric generation, transmission, distribution, and water systems or other complex business entities. Specific information regarding experience in other customer service areas, including customer billing, complaint management and resolution history, experience with purchases of other utility systems, customer question management, and emergency repair reply times should be included. Replies demonstrating the following will be treated favorably: 1.Longevity of utility generation, transmission, and distribution operations greater than 5 years; 2.Successful customer relations demonstrated through customer outreach, surveys such as JD over or other comparable sources; 3.Corporate culture demonstrating a long-term commitment to operations; and 5.Focus on maintaining reliability for customers, as illustrated through historical rates Where available, Respondents should also include a history of their customer rates for the past 10 years. Respondents are encouraged to provide any incremental information they believe relevant to demonstrate their experience and customer commitment	s	Good	Adequate	Poor	Inadequate	3	11.25
