

Infrastructure Transition Committee -Riverfront Subcommittee

Agenda for Organizational Meeting
June 30, 2023, 10:45am at The Jessie

1. Introductions

2. Review of Scope and Charge

- a. **SCOPE:** *This committee will explore what it will take to create a vibrant, active riverfront (with a special focus on the downtown riverfront and adjacent areas) that will benefit of all of Jacksonville's residents and encourage visitors. The recommendations should come from community conversations, stakeholders and economic concerns, previous research, status, and safety issues.*
- b. **CHARGE:** *This focus area will meet with the Riverfront Parks, Downtown Investment Authority, Museum of Science and History, Jacksonville University, JaxPort, COJ Public Works Department, and the Chief Resilience Officer to discuss implementation of best practices for both economic and environmental outcomes, as well as making the river accessible to every resident for enjoyment.*
